Harvest 2025

120th Anniversary Wine Event

120 YEARS

This year, we celebrated the beginning of our 120th year in Napa Valley. Not many wineries or vineyards get to celebrate this milestone. With four generations raised in Napa, we have watched the landscape change and have tried to make changes where needed.

To celebrate, we brought together friends and wine enthusiasts in May to commemorate this incredible event. Live music, fantastic food, and drinking wine was the perfect way to enjoy the day. We hope to continue the legacy and make great wine for you for many years to come. We are humbled by the support our family winery has had.

2025 HARVEST

On August 25, we began at our winery with the picking of our grapes for Rose. Our Chenin Blanc, Rose, and Malvasia Bianca grapes have made it into the winery and are happily fermenting away. It is still early for picking and reds are starting to trickle in...we are just getting started!

We are grateful for the fire support that has protected Napa Valley as the Pickett fire broke out in North Napa Valley, which has burned more rural areas in Pope Valley. Although the threat was low, we have tested our grapes, and rest assured, they are in great condition, and the quality we want is still there for our 2025 wines.

POINTS

2022 RESERVE CABERNET SAUVIGNON

Awarded 97 points and crafted in small production, this Reserve Cabernet is a rare gem not to be missed. A blend of the finest lots from Pocaí and Fig Tree Vineyards, it showcases the very best of our 2022 vintage.

The nose is expressive with layers of chocolate, rose, bergamot, black tea, cassis, blackberry pie, olive, and spice, lifted by hints of pepper, plum, and cherry pie. The palate is smooth and lush, revealing espresso, dried fruit, vanilla, coconut, and tobacco. Juicy, vibrant, and elegant, this wine carries graceful length and a lingering finish. Surprisingly approachable now, it will continue to evolve beautifully over the next 10-12 years.

2022 Reserve Cabernet Sauvignon

2022 RESERVE ZINFANDEL

Historically grown in our vineyards for 120 years, Zinfandel grows well in our vineyards. We will continue to craft this special wine.

Seductive nose and full-bodied on the palate, our 2022 Reserve Zinfandel bursts with ripe raspberry, cherry, and plum, layered with hints of rose petal, fig compote, and exotic spice. The palate unfolds with notes of orange zest, toasted coconut, cocoa, and a hint of espresso, creating both richness and intrigue. Smooth and velvety, the finish lingers long after each sip, leaving you wanting more. Crafted from our warmest Calistoga vineyard, this wine captures the depth and elegance of Zinfandel at its finest.
